# **Labor Market and the Wage Floor**

## **Panel Discussion on the \$15 Minimum Wage**

**October 12, 2016**

**12:00PM—1:30PM**

Avery Library

Lunch Provided

(Lunch service begins at 11:45AM)

**RSVP Required: see QR Code or go to [sass.caltech.edu](http://sass.caltech.edu)**

Recently, California and New York both passed bills setting the state minimum wage to \$15/hr. The city of Pasadena also passed similar legislation locally. Interestingly, differing opinions on the issue of raising minimum wage do not necessarily follow party lines. Prominent Republicans and Democrats fall on both sides of the argument. Please join us for an in-depth panel discussion and lunch covering all sides of recent minimum wage policy.
